My Food Bag NZ
Office case study

Leading home delivery food service, My Food Bag has unveiled their new nerve centre in Parnell, Auckland, designed by Yellow 6 Design and Platform Consulting Ltd. The freshly designed headquarters of My Food Bag in Parnell, Auckland features a consolidated office and kitchen space with a concept inspired by My Food Bag's seasonal menus.

From working kitchens and showroom spaces to office breakouts, the stylish interior facilitates the unique and functional requirements of the My Food Bag staff whilst providing an inspired work space that reflects part of a season for each area –from spring to winter.

When it came to the 'summer' area which includes the work hub for the customer support teams and the photography kitchen showroom, Karndean luxury vinyl flooring was selected for its renowned durability, water proof properties and realistic timber look finishes.

Sector: Office
Client: My Food Bag
Contractor: Prescott Floors
Location: Parnell, Auckland NZ
Area: 1000 m2
Product used: Opus Niveus WP411

"From previous experience, I know that Karndean's timber look planks are great in high-traffic areas, especially in an office with high foot traffic," commented Yellow 6 Design interior designer, Saila Wang.

"It not only looks great it's easy to clean up any food spillages, but it's also more cost-effective than real timber - so it's great for commercial projects."

The two levels blend exposed ceilings, concrete floors, and floor-to-ceiling windows, and the use of Karndean timber luxury vinyl tile helps to keep it warm and homely for this modern office environment.

"We needed to keep the pallet light and fresh in the 'summer' area," adds Saila.

"We chose Niveus from the Opus collection as it has a great colour tone and looks amazing in herringbone."

"Everyone is very pleased with the overall look and the staff now have an amazing summer-inspired café."

Focus on style

"Karndean timber luxury vinyl tile helps to keep it warm and homely for this modern office environment."

Formats

We offer three types of product formats: Loose lay, rigid core and gluedown.

Loose lay

Karndean LooseLay features our K-Wave® friction grip backing which helps hold the product to the subfloor without adhesive, making it quick and easy to install. Ideal for underfloor access panels and temporary roomsets, each plank can be lifted individually where required.

LooseLay Originals

1050 x 250mm plank, 500 x 610mm tile

LooseLay Longboard

1500 x 250mm plank

Rigid core

Our rigid core ranges are ideal for installations where acoustics, uneven subfloors or preservation of existing hard floors need to be considered. A click-locking mechanism allows for quick installation and the preattached backing eliminates the need for a separate underlayment.

Korlok

1420 x 225mm plank, 457 x 600mm tile

Van Gogh

1220 x 180mm plank

Knight Tile

1220 x 180mm plank, 305 x 457mm tile

Gluedown

Our gluedown ranges offer our widest choice of colours and formats. Features such as textured emboss or our premium handscraped finish, wide bevels or flat edges make each range unique to Karndean Designflooring.

Art Select

228 x 76mm, 915 x 152mm, 1219 x 178mm plank

Van Gogh

1219 x 178mm plank

Opus

915 x 152mm, 1219 x 228mm plank, 457 x 610mm tile

Knight Tile

1219 x 178mm plank, 305 x 305mm, 305 x 457mm tile

Alternative designs

Create the same look for your commercial project.

We have a variety of products to match, within our ranges.

Loose lay

■ Champagne Oak LLP310

■ Hamden LLP156

■ Providence LLP108

Rigid core

■ Birch SCB-VGW84T

■ Washed Blackbutt SCB-VGW129T

■ Millstone Sycamore SCB-VGW133T

Gluedown

■ Birch VGW84T

■ Washed Blackbutt VGW129T

■ Millstone Sycamore VGW133T

Why choose a gluedown floor?

With our gluedown format you have complete control over the look of your floor, from the laying pattern to the incorporation of our design strips and borders.

The benefits of Karndean Gluedown

Individually replaceable

Gluedown Planks and tiles can be individually replaced should the need arise.

Design capabilities

Choose your preferred laying pattern and customise your gluedown floor with our design strips and borders.

No expansion gap required

Unlike rigid core, gluedown floors do not require an expansion gap.

Individual, glued down planks and tiles

Our gluedown planks and tiles are individually glued down using a hard set adhesive.

Imagery and Design Reproduction

Photography and print cannot always produce a perfect representation of our products. This includes colour, pattern variation and installation elements used. For this reason we strongly recommend obtaining a product sample and where possible viewing a larger sample in-store. We also recommend visiting our website for information on installation, after care and product selection: www.karndean.com/advice. We love developing new ideas and improving on our existing designs which means that sometimes products are withdrawn at short notice. We hate to disappoint and will work with you to find an alternative design. Please contact Customer Service for more information.
